Chapter 1: Using Facebook as a Tool for Teaching Islamic Studies in Enhancing Intrinsic Motivation among Higher Learning Students	1
1.1 Introduction	1
1.2 Islamic Education and ICT	2
1.3 Use of Facebook for Teaching Islamic Studies	3
1.4 Students' Intrinsic Motivation in Learning Islamic Studies via Facebook	4
1.5 Factors that Promote Intrinsic Motivation among Islamic Studies Students	5
1.5.1 The Challenging Factor	6
1.5.2 The Curiosity Factor	6
1.5.3 The Fantasy Factor	7
1.6 Conclusions	9
References	10
Chapter 2: Benefits, Issues, and Challenges of Using E-Books in Learning	13
2.1 Introduction	13
2.2 How E-Books Help Learners to Learn Better	15
2.2.1 Convenience and Easy Accessibility	15

2.3	Educational Tools and Features	17
2.4	Enjoyable and Rich Learning Experiences	19
2.5	Issues and Challenges in Using E-Books	20
2.5.1	Technological Issues in Using E-Books	20
2.5.2	Psychological Issues in Using E-Books	21
2.6	Discussions and Suggestions	22
2.7	Conclusions	23
	References	23

Chapter 3: Revisiting Evaluation Models of Learning Management System: Implications for IIUM Students' Learning Process 27

3.1	Introduction	27
3.2	What is E-Learning?	28
3.3	Various Perspectives on E-Learning	29
3.4	Learning Management System	30
3.5	Why is LMS important?	30
3.6	What are the Problems Teachers and Students Face when Using LMS?	37
3.7	Existing Evaluation Models	40
3.8	LMS-Buddy Evaluation Model	45
3.9	Implications and Conclusions	47
	References	47

Chapter 4: Understanding Communication Behavior via Facebook 51

4.1	Background of the Study	51
4.2	Distance Education at KOED in IIUM	53
4.3	Previous Research	54
4.4	Conceptual Framework	55
4.5	Using Facebook in Distance Learning	57
4.6	CPMT of Self-Disclosure and Consequences of Self-Disclosure	63
4.7	Self-Disclosure and Consequence of Self-Disclosure on Affective Learning	66
4.8	Transactional Distance Theory of Interaction	67
4.9	Interaction on Affective Learning	69
4.10	Affective Learning	69
4.11	Summary	71
	Appendix	72
	References	74

Chapter 5: Pornography Exposure and Social Network Sites (SNS); Critical Analysis on Porn Addiction and Preventive Measures From Islamic Perspectives 83

5.1	Introduction	83
5.2	Pornography and Its Development	85
5.3	Social Network Sites (SNSs) and Pornography Exposure	87
5.4	Psycho-social Impacts of Pornography	90
5.5	Islamic Preventive Measurement	93
5.5.1	Islamic Ruling on Pornography	93
5.5.2	Islamic Preventive Measures	95
5.6	Conclusions and Recommendations	97
	References	98

Chapter 6: Usability of M-Learning via Smartphone 101

6.1	Introduction	101
6.2	The Conceptualize of E-Learning and M-Learning Similarity and Differences	103
6.3	Usability Concept for M-Learning	105
6.4	Guidelines for M-Learning Usability	105
6.5	Usability Dimensions for M-Learning	108
6.6	M-Learning Application and Its Usability	109
6.6.1	Learnability	109
6.6.2	Efficiency	110
6.6.3	Memorability	111
6.6.4	Errors	112
6.6.5	Satisfaction	112
6.7	Challenges in M-Learning Usability	113
6.8	Conclusions and Recommendations	115
	References	117

Chapter 7: Plagiarism in Academic Writing among Students of Higher Learning Institutions in Malaysia 121

7.1	Introduction	121
7.2	Methodology	123
7.2.1	Sampling Method	123
7.2.2	Instrument	124
7.2.3	Validity of Instrument	125
7.2.4	Data Analysis	125
7.3	Findings	125

7.3.1	Demographic Report	125
7.3.2	Descriptive Analysis	127
7.3.3	Attitude towards Plagiarism	127
7.3.4	Subjective Norm	128
7.3.5	Perceived Behavioural Control	130
7.3.6	Intention towards the Behaviour	131
7.3.7	Plagiarizing Behaviour	133
7.3.8	Comparing Means	134
7.4	Limitations and Suggestions	138
	References	138

Chapter 8: An Exploratory Study on The Implications of Using Second Life on the Islamic Worldview of Higher Education Students 141

8.1	Background	141
8.2	The Concern	147
8.2.1	Research in Second Life	149
8.2.2	Religion in Second Life	151
8.2.3	Can Second Life Affect Religion?	154
8.2.4	To What Extent is the Concept of Religion in Second Life Similar to the Religion in Real Life?	158
8.2.5	How do Muslim Residents in the Second Life Perceive the Elements of Religion?	160
8.2.6	How Do the Residents of Second Life Practice the Islamic Rituals as that Occurred in Real Life?	163
8.3	Discussions, Implications, and Recommendations	164
8.4	Implications and Recommendations	169
8.5	Conclusions	170
	References	170

Chapter 9: A Revisit to the Development of Dale's Cone of Experience 175

9.1	Introduction	175
9.2	The Conflicted Chart	177
9.3	The Learning Pyramid	179
9.4	The Numbers	181
9.5	Cone of Experience as the Urban Legend	183
9.6	Chart that Resembles Dale's Cone of Experience	185

9.7	The "Numbers" in Dale's Cone and Research in Malaysia	187
	References	192

Chapter 10: Learning through Social Networks 195

10.1	Introduction	195
10.2	Web 2.0	196
10.3	Introduction to Social Network	197
10.4	Theory of Social Network	197
10.5	Social Network in Education	198
10.5.1	Learning	199
10.5.2	Cognitive Learning	200
10.5.3	Affective Learning	201
10.5.4	Psychomotor Learning	201
10.5.5	Social Network and Learning	202
10.6	Examples of Social Network	203
10.6.1	Facebook	203
10.6.2	Learning through Facebook	204
10.6.3	Why and how are Students Using Facebook to Support Learning?	204
10.6.4	YouTube	205
10.6.5	YouTube and Language Learning	205
10.6.6	Strategies for Using YouTube in Teaching and Learning	207
10.6.7	Twitter	208
10.6.8	Ways of Using Twitter in Education	209
10.6.9	Skype	210
10.6.10	Usage in Teaching and Learning	210
10.7	Conclusions	210
	Appendix	211
	References	213

Chapter 11: Teachers' Perception of Using Geogebra in Teaching Mathematics in Malaysia 217

11.1	Introduction	217
11.2	Problem Statement	218
11.3	Purpose of this Study	219
11.4	Methods	220
11.4.1	Sampling Procedure	220
11.4.2	Instrument and Reliability	220

11.4.3 Data Analysis	221
11.5 Findings	221
11.6 Discussions and Conclusions	224

His experiences include being the Director of Centre of Professional Development and Director of Office of Corporate Strategy. He has supervised a large number of PhD students.

Kamal Basha Madarsha is an Associate Professor specializing in Instructional Technology at the Kulliyah of Education International Islamic University Malaysia. As a senior member in the Kulliyah of Education he has supervised a large number of PhD students.

Leila Karimi is currently pursuing her PhD at the graduated from the Kulliyah of Education International Islamic University Malaysia with a Master's in Education.

Nik Ahmad Hisham Ismail is a Professor of Education, specializing in Educational Psychology, at the Kulliyah of Education International Islamic University Malaysia. He is currently the Dean of the Kulliyah of Education and an active member of the Malaysian Professorial Council.

Norhayati Mohd Yusof graduated with a PhD in Education from the Kulliyah of Education International Islamic University Malaysia. She specializes in the utilization of virtual environment in learning and has had extensive experience in digital photography. Her experiences include stints at the Asian Forum of Parliamentarian on Population and Development, Centre for Teaching and learning and IIUM Entrepreneurship and Consultancies.

Nurbaya graduated from the Kulliyah of Education International Islamic University Malaysia with a Master's in Education.

Rajiah Hj Hasan graduated from the Kulliyah of Education International Islamic University Malaysia with a Master's in Education.

Rosemaliza Mohd Kamalludeen is an assistant professor specializing in Instructional Technology and Vocational Educational at the Kulliyah of

Education International Islamic University Malaysia. She is a certified Professional Learning Facilitator.

Nazatul Akmar Bt Mokhtar, Toiyibah Samoh, Soheila Belgheis Shahmohammadi, Mohamed Solih, and Fatmir Shehu are all PhD candidates at the Kulliyah of Education International Islamic University Malaysia.

Preface

This book is a compilation of articles from the International Islamic University Malaysia (IIUM) contributed by authors who are experts in the field of Instructional Technology, Instructional Technology, Instructional Technology, and Instructional Technology. This book is a compilation of articles from the International Islamic University Malaysia (IIUM) contributed by authors who are experts in the field of Instructional Technology, Instructional Technology, Instructional Technology, and Instructional Technology. This book is a compilation of articles from the International Islamic University Malaysia (IIUM) contributed by authors who are experts in the field of Instructional Technology, Instructional Technology, Instructional Technology, and Instructional Technology.

The ultimate aim of this book is to provide a comprehensive and holistic view of research in this area, which will be a valuable resource for the general public and will find appeal. This book is a compilation of articles from the International Islamic University Malaysia (IIUM) contributed by authors who are experts in the field of Instructional Technology, Instructional Technology, Instructional Technology, and Instructional Technology. This book is a compilation of articles from the International Islamic University Malaysia (IIUM) contributed by authors who are experts in the field of Instructional Technology, Instructional Technology, Instructional Technology, and Instructional Technology.

This book consists of 10 chapters, each with a different focus, and is a compilation of articles from the International Islamic University Malaysia (IIUM) contributed by authors who are experts in the field of Instructional Technology, Instructional Technology, Instructional Technology, and Instructional Technology. This book is a compilation of articles from the International Islamic University Malaysia (IIUM) contributed by authors who are experts in the field of Instructional Technology, Instructional Technology, Instructional Technology, and Instructional Technology.

instructional technology

ISSUES AND CHALLENGES

This book is a compilation of materials on Instructional Technology (IT) contributed by authors who are considered as experts in this area. Hence, the title, *Instructional Technology: Issues and Challenges* is apt and speaks volume, which you, the reader will find the reason why the author chose the title as you read through each and every chapter. In this book, each contributor examines different aspects of IT vis-à-vis the integral foundation which is Technology Assisted Teaching and Learning. These include sections related to social network such as Facebook, e-learning via smartphones and the like.

The ultimate aim of this book is to share experiences and findings of research in this area, where the students, educators, researchers and the general public will find appealing. This book goes well for those who are interested and about to embark in IT as it covers the fundamentals of IT in teaching and learning, its uses and issues underlying the use of technology in this challenging decade. An added advantage of this book is the readers will find the book is easier to be comprehended as it is provided with examples, graphs and charts to go with the texts.

This book consists of 11 chapters with each one discussing issues pertaining to the complex nature of Technology, Communication and Teaching and Learning. I am very positive, that the readers will find the articles useful in one way or another.
